

Councilmember Gil Cedillo and the City of Los Angeles  
Bureau of Engineering invite you to a

Taylor Yard **G2** River Park Project  
**Community Discussion**  
**on Site Assessments**  
**Wednesday December 5, 2018**  
**6:30 p.m. to 8:00 p.m.**

**What:** This community discussion will include information from the City of Los Angeles on soil, soil gas and groundwater testing at the Taylor Yard G2 site, including information on site conditions, testing procedures, and next steps, and from the State Department of Toxic Substances Control on their role in overseeing the remediation effort.

**Where:** Los Angeles River Center and Gardens 570 West Avenue 26,  
Los Angeles, CA 90065
