Please explain why you want to be a Board Member.

Por favor explique por qué quiere ser un miembro de la Mesa Directiva.

I am a resident of Lincoln Heights, I have been VP of WSBC SoCal for the last few years and would love to help make an impact on it with in my community, helping speak on behalf of the side that works within the hospitality group and are not spoken for. I would also like to help bring about change for educating and creating opportunities for more of our residents in need of trade skills, and job opportunities. Having run multiple venues, taught classes in food & drink, and being a business owner & operator I feel as though I would make a good addition to the board.
