Dear Lincoln Heights Neighborhood Council,

Thank you for considering Abraham Lincoln Senior High's request to purchase cheer (gymnastics) mats. Our current mats are over ten years old and have become worn and unsafe.

Our goal at Lincoln is to graduate student athletes who are both academically and physically skilled to allow for the best possible future outcomes in college and career. We have dedicated parents and an inspiring coach that along with training our students he teaches many life lessons such as, commitment, team-work and dedication to a skill/craft. Our cheer squad works diligently year-round by providing performances and competitive routines that demonstrate, athletic skills, school spirit, representation of their family and community, and a true sense of belonging during athletic and community events and in competitive arenas. Your support would be greatly appreciated and important to the success of our program.

Lincoln remains a long-time fixture in the community and a source of pride for alumni. Our connection to the neighborhood is everlasting. We hope you will consider our request and allow us the opportunity to provide quality and safe equipment for our athletic cheer performers.

Sincerely,

Joni Parker-Boykins, Asst. Principal, SCS
